

# Let's talk about **Selling Property**

Public Trustee  
Real Estate

[pt.qld.gov.au](http://pt.qld.gov.au)

## About the Public Trustee

The Public Trustee is a statutory authority that exists to support Queenslanders. We provide a range of trustee and administration services for our customers, who include beneficiaries of deceased estates, financial management customers and trust customers.

## What we offer

**Competitive fees** — We offer a transparent fee structure and competitive rates which are available on our website or by contacting our real estate service team.

**Marketing advantage** — Access to more than 19,000 buyers through our growing prospective buyers online database, and a wide variety of marketing channels including realestate.com.au, domain.com.au and the Public Trustee website.

## A tailored approach to suit you

Because every property is unique, we work to determine the best approach to achieve the most successful sale outcome. We are known for our public auctions and we also sell by private treaty.

## Why customers choose to sell with Public Trustee Real Estate services?

**Experienced and professional** — The Public Trustee is a fully licensed real estate agency and has an extensive buyer and seller network Queensland-wide. Our team of licensed agents will ensure you are kept fully informed throughout the sales campaign; we regularly provide market feedback, buyer interest and promptly communicate offers.

**We sell property Queensland wide for our customers** — Our services are available in Brisbane & surrounds as well as in regional and rural areas.

**Understanding** — We have been selling property as part of administering deceased estates for decades and understand this can be a challenging time for customers.

In our role as financial administrator, we also sell property to enable customers to make the lifestyle changes they require.

## Achieve the best outcome

Our team includes licensed auctioneers and with public auctions provide many advantages:

- a competitive bidding process which allows properties to be sold above the reserve if there is strong demand

- transparency which allows all interested parties the opportunity to offer their highest price on auction day
- a requirement for buyers to sign a cash unconditional contract
